

AMENDMENT 0001

The combined synopsis/solicitation is amended to read as follows: The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. Previous language in the solicitation "The Request for Quotation that will be evaluated based on price with award being made to the lowest responsible offeror." has been deleted. FAR Clause 52.212-2 "Evaluation--Commercial Items (Jan 1999)" has been revised as follows:

52.212-2 EVALUATION--COMMERCIAL ITEMS (JAN 1999)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

Past performance and price will be considered as the basis of award. Past Performance will be evaluated based upon responses received from the attached Past Performance Questionnaire. The Government reserves the right to consider other sources as deemed necessary to determine acceptable past performance. The offeror must provide three to five references for work performed on previous similar contracts. Entire reference list shall contain:

- Company Name
- Company Address
- Point of Contact
- Telephone Number
- Facsimile Number

These references shall be submitted with the RFQ package. The Government reserves the right to reject quotes for failure to submit references with the quote.

The Government will send the Past Performance Questionnaire to a minimum of three of the references provided. Offerors must have the following minimum satisfactory response on the Past Performance Questionnaire: Management – 8 out of 10, Quality – 2 of out 3, Safety – 3 out of 3, General – 2 out of 2.

(b) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(End of clause)
